

- Loop 5X allows you to control five effect loops, A/B input and A/B output.
- It is a regulated 9volt power supply, with five DC outputs.
- You may control the unit from anywhere onstage. The control cable can be as long as you like.
- Manual A/B input selector switch and tuner output.
- Instrument change over without unplugging.
- Ethernet CAT5 cable for switching, and power to the remote control.
- Loop 5X uses high quality audio relays to facilitate the switching.
- Five TRUE BYPASS effect loops, wired in series.
- Relays are activated by 6 latching switches located in the controller.
- There is no audio running to the control pedal.
- Red power LED light is located on control pedal.

- LED lights up to indicate loop operation status.
- Output B is indicated on the pedal with an LED.
- Output A is the default output, and power LED.
- Full analog routing system, no preamps or buffers.
- You can use older pedals, even the ones with worn out switches.
- Keep pedals out of harms way, no more long audio cable runs.
- Shorter cable distance between instrument, effects, and amplifier.
- Loop 5x is always switching back and forth from affected sound to pure amp tone.
- Included is a 5meter CAT5 cable, 12VDC power supply, and 5 9V power cables.
- Signal passes from input A to output A even when the power is off.
- Loop 5x can switch pedals, or +4 Line Level effects.
- You may only use Loop5X in the amps send and return when ALL the effects are +4 send/return compatible. Or if the amplifier has a +4/-10db selectable send and return.

*****Warning** pedal damage can occur if you do not check for compatibility.***

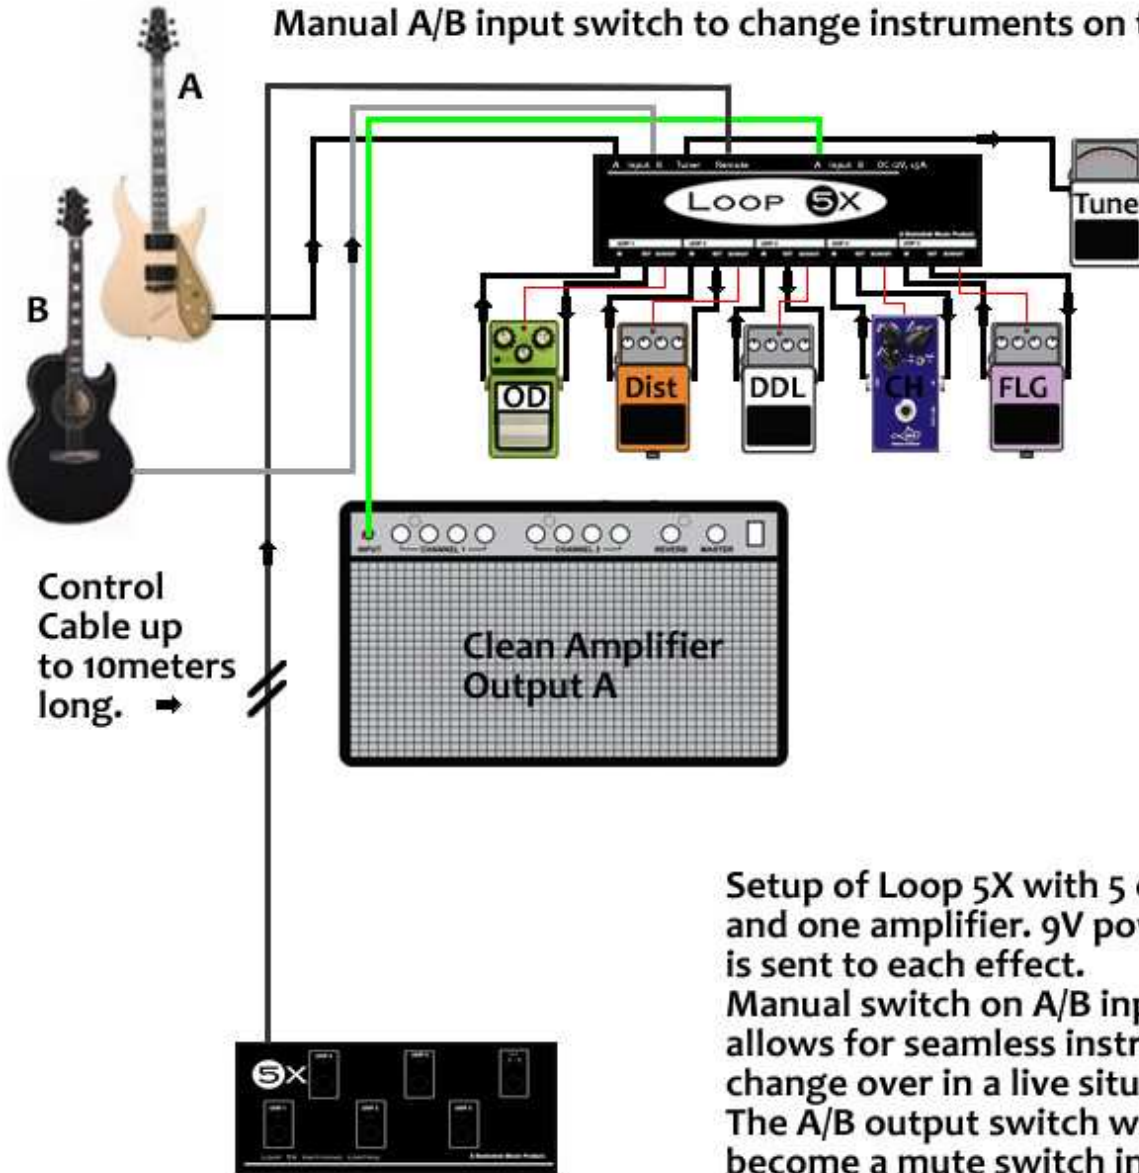

Manual A/B input switch to change instruments on the fly!

Control Cable up to 10meters long. →

Setup of Loop 5X with 5 effects and two amplifiers. 9V power is sent to each effect. Manual switch on A/B input allows for seamless instrument change over in a live situation.

Manual A/B input switch to change instruments on the fly!

Control Cable up to 10meters long. →

Setup of Loop 5X with 5 effects and one amplifier. 9V power is sent to each effect. Manual switch on A/B input allows for seamless instrument change over in a live situation. The A/B output switch will now become a mute switch in this setup.

Loop 5X - Effect loop routing flow chart.

One Year Consumer Limited Warranty

DEELEEBOB Music products are warranted to be free from defects in materials or workmanship for one year from the date of purchase. Within this period, DEELEEBOB will, at its sole option, repair or replace any components that fail in normal use. Such repairs or replacement will be made at no charge to the customer for parts or labor, provided that the customer shall be responsible for any transportation cost. This warranty does not apply to: (i) cosmetic damage, such as scratches, nicks and dents; (ii) consumable parts, such as batteries, unless product damage has occurred due to a defect in materials or workmanship; (iii) damage caused by accident, abuse, misuse, water, flood, fire, or other acts of nature or external causes; (iv) damage caused by service performed by anyone who is not an authorized service provider of DEELEEBOB; or (v) damage to a product that has been modified or altered without the written permission of DEELEEBOB. In addition, DEELEEBOB reserves the right to refuse warranty claims against products or services that are obtained and/or used in contravention of the laws of any country.

Repairs have a 90 day warranty. If the unit sent in is still under its original warranty, then the new warranty is 90 days or to the end of the original one year warranty, depending upon which is longer.

THE WARRANTIES AND REMEDIES CONTAINED HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY LIABILITY ARISING UNDER ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, STATUTORY OR OTHERWISE.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, WHICH MAY VARY FROM STATE TO STATE, COUNTRY TO COUNTRY.

IN NO EVENT SHALL DEELEEBOB BE LIABLE FOR ANY INCIDENTAL, SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES, WHETHER RESULTING FROM THE USE, MISUSE, OR INABILITY TO USE THIS PRODUCT OR FROM DEFECTS IN THE PRODUCT. SOME STATES DO NOT ALLOW THE EXCLUSION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

DEELEEBOB retains the exclusive right to repair or replace (with a new or newly-overhauled replacement product) the device or software or offer a full refund of the purchase price at its sole discretion. SUCH REMEDY SHALL BE YOUR SOLE AND EXCLUSIVE REMEDY FOR ANY BREACH OF WARRANTY.

To obtain warranty service, contact DEELEEBOB Music Product's via email for shipping instructions and an RMA tracking number. Securely pack the device and a copy of the original sales receipt, which is required as the proof of purchase for warranty repairs. Write the tracking number clearly on the outside of the package. Send the device, freight charges prepaid, to DEELEEBOB Music Products.
